Mr. George Scuttles,

Dear Sir,

I am a high school lad of 21 who after graduation, was inducted into the Army. But a little before induction I had a taste of Pro. Baseball with the Phily Stars. Recently I was discharged from the service. While there I ran across who use to be on your team we were all on the same camp team The Black stakes. of Camp wheeler Georgia. I have a pretty record of wins with them. My name is in the Camps. hall-

fame for pitching 3 no hit games
last season. I had 7 wins and 3
~~loss~~ losses. I am now on the
pittsburgh crawfords, I joined up
with the team right after they
came off that southern trip. They
tell me you signed up two men
from the team, I am asking
if I could be given a tryout
This team is alright but you
know how it is playing
percentage ball. only one chance
I ask I am sure you will
not be disinhearted with me.
Joseph atkins, myself, and the other
fellow of the team you signed
up. were talking about it the
other night. So they suggested
I write you my home is in
Philadelphia I have been here
about a month. Will you
be here when the play at

Forbes Field, against the Grays next week. I am hoping to hear or see from you soon or before the game. I deeply hope you give me a tryout with the team. I only regret I was not on the trip down south ~~to see~~. So you could see me work. I can also play a good hand at Center-field. Batting average. 320.

Respectively Yours

John Kittyohn Jr.
